Dear OM:

Enclosed please findform CARCC-1 which is self explanatory. In addition to the information asked for will you please furnish a list of all your Club members giving name, call and QTH.

This latter data is to be used to make a card file of all members of Council affiliated Clubs and is a companion file to the one just completed of all Amateurs within a radius of fifty miles of Chicago. Both these lists will be available to affiliated Clubs and others for various purposes and are a part of the service rendered by your Council.

Trusting that you will give these matters your careful and prompt attention and that you will get them into the Sesretary's hamds just as soon as possible so as to fac ilitate the typingof the list and bring the Council files up to date must say 73s es sk om cul
